SIMULATED AIR RAID TESTS CD PERSONNEL

Inspection Team Here To Supervise Incidents

How civilian defense workers of Daly City will react if a 300 pound Jap bomb falls in the street and fails to explode was among incidents shown, Friday night, during a simulated air raid here in which over 250 volunteers took part.

The drill was held before the critical eye of an inspection team composed of state and federal authorities of the Office of Civilian Defense, who are making a tour of cities and holding air raid drills. The test lasted an hour here, and nineteen incidents, fifteen of which were made up by local officials and the other four by the inspection team, were sent through the control center during the drill. Following the completion of the incidents, the entire corps of workers convened at Jefferson Union high school auditorium where constructive comments on the drill were made by Albert H. Baker, field director for the inspection team and a member of the State Council of Defense, and other inspection officials.

The civic leaders here were praised highly by Baker in his address, and he commended the work of the civilian defense workers in Daly City. In a later interview, Baker added that the improvement over the previous drill here last October was "one hundred per cent."

"Those fellows are an enthusiastic bunch," Baker said in speaking of the civilian defense organization, "and when you see that much interest in civilian defense, you

His Story Was That 'Murder' Was Afoot

Henry Mack, 269 Hillcrest drive, was sentenced to serve 90 days in the county jail in a hearing before City Judge William J. Sweeney, Saturday, following his arrest on charges of disturbing the peace.

Daly City police confiscated a .410 shotgun from Mack early Saturday morning when he threatened to "shoot in self defense" at "three men and a woman" whom he said tried to kill him and his mother. However, Mrs. Mack denied that there was anyone near the residence, telling police not to believe Mack.

Police were summoned at 2:45 a. m. to the Mack home the first time. An hour later, more complaints from neighbors brought the police there again, and they found the shotgun, which they described as "loaded and ready to fire."

The place showed signs of much commotion, where Mack had thrown a vase through a window and torn up the furniture in the house. He was taken into custody this time and the gun confiscated.

Four Chairmen Report On Results Of Red Cross War Fund Campaign In Daly City-Colma Area, Total Not Final Yet

Latest reports from the four headquarters in Daly City and Colma for the 1943 American Red Cross War Fund campaign showed a total of \$3,364 collected to date in the annual drive which was held, last month.

Although the drive officially ended March 31 when canvassing stopped here, donations and payments from those who had already pledged support continued to pour in this week in three of the headquarters. However, the drives in Daly City and Colma are being handled under separate quotas. The four chairmen of the drive in the Daly City-Colma area were as follows: Mrs. M. Paul-

Council Hears Letter Of Praise Ordinance On Water Rates Is Introduced

In a meeting marked by speed and lack of incident, the councilmen of Daly City handled affairs of the city at Monday night's council session. Mayor A. J. Gaggero, Councilmen Edmund Cavagnaro, Eugene Lynch, and John J. Fahey sr. were present; Councilman Hugh Smith jr. was absent. Officials attending the meeting included B. C. Ross, city clerk; F. E. Hoffmann, city attorney; Fred Collins, district deputy health officer; Arthur J. Bodien, superintendent of the water department; R. A. Klassen, city engineer; Andrew P. Chesney, fire chief; James G. Reardon, police chief.

Under communications the council heard a letter from James Ferguson, Jefferson Union high school principal, praising Police Chief Reardon and his staff for efficiency and cooperation in checking vandalism at the high school property. They heard and accepted a letter of resignation from Miss Mary Picchi, who has been serving as assistant at the Daly City Public library. Another resignation was that of Arthur J. Dalton, from Daly City Fire Company No. 1.

An ordinance, No. 123, to provide for reduced water rates for local Victory gardeners, was introduced by Councilman Fahey. This project was originated by Councilman Cavagnaro, who has given a number of reports on the status of the enterprise in other communities.

Committee reports revealed that the baseball diamond at Marchbank park is in good shape. Councilman Lynch suggested the placing of screen over the dugouts for the players' protection.

Reading of the bills and a motion for adjournment concluded the meeting.

Drunk Spree Ends With Near Accident

A serious automobile accident was the near result of a drunken driving spree by Arthur Thomas, San Francisco, when the machine which he was driving nearly struck the safety island at Mission street and Hillcrest drive, shortly after midnight, Saturday.

He was stopped by Police Officers Henry Sundermann jr. and Roland Petrocchi, and found to be intoxicated, police said. He was arrested and booked on charges of drunken driving to appear in Daly City police court, Friday, April 30. Judge William J. Sweeney set bail at \$50.

ine Brown, women's division, Colma; Mrs. Marcie Trier, women's division, Daly City; Mayor A. J. Gaggero, Colma farming district; and John Degliantoni, business district, Daly City.

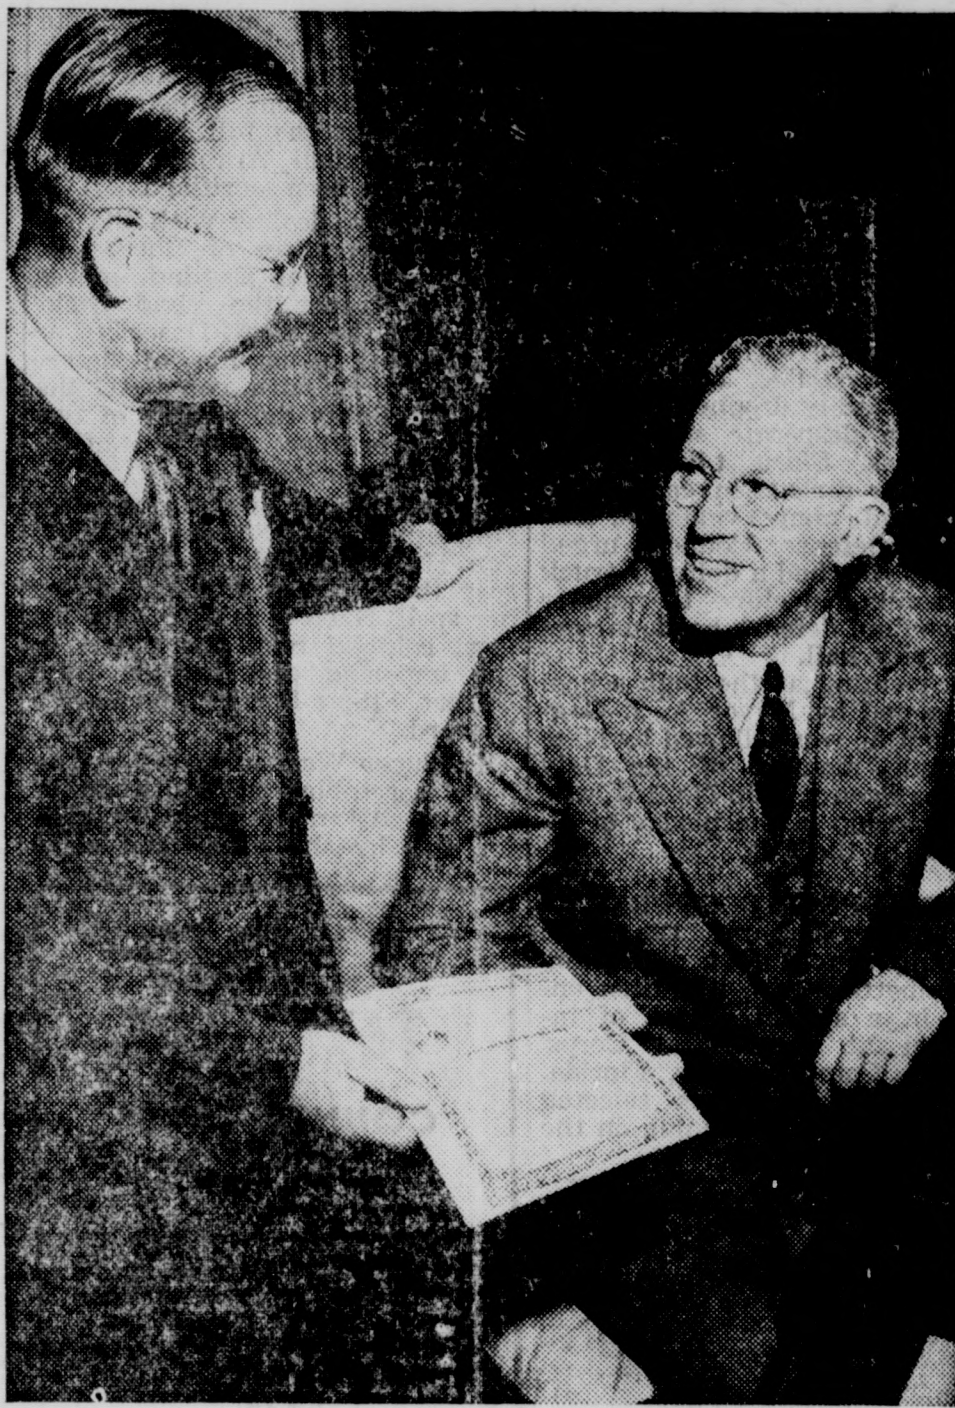

Largest collection was that in Mrs. Trier's group with a record-breaking collection of \$1,400 from Daly City's district, and many donations from volunteer workers in this group are still incomplete. The results represent a well divided list of subscribers with "everyone donating a fair share," according to Mrs. Trier. The collections included those from a house-to-house canvass, donations from

and nightly collections at the Daly City theatre for a week.

From Daly City's business district, Chairman Degliantoni collected \$650 for the drive. This amount included \$50 from the City of Daly City. The merchants' part in the drive has now been completed, Degliantoni announced, and he expressed appreciation to them for support of the campaign.

Mrs. Brown, who is Red Cross town chairman in Colma besides heading the War Fund campaign there, reported an amount of \$811.57 collected for the Red Cross to date in Colma. Donations are also still coming in to Mrs. (Continued on Page 5)

THE GOVERNOR BUYS A WAR BOND

Governor Earl Warren of California (seated) was one of the first to buy a War Bond in the "Second War Loan" drive for \$13 billion. Delivering the governor's bond is Earl O. Schnetz, Sacramento co-chairman of the War Finance Committee.

Senior Air Raid Wardens Will Meet To Discuss New Method Of Calling Into Center

Harry Melicker, chief air raid warden for Daly City, announced that during tomorrow night's meeting of the senior air raid wardens, 8 p. m., at the city hall, 75 Wellington avenue, the matter of a new system for phoning in incidents to the control center would be discussed in detail. He explained it had been found that it would be preferable to have a phone available in every block so that the senior warden, rather than return to his own home, could report the event from the nearest possible spot.

Melicker again urged day senior wardens, as well as night, to attend these important biweekly sessions at the city hall. He also invited the deputy senior wardens, day and night, to attend, as their familiarity with these meetings is vitally important when no one knows when a raid may occur.

False Alarm Calls Out Three Fire Trucks

Daly City firemen and three fire trucks were called out late Sunday afternoon on a mission which turned out to be a false alarm.

Companies 1, 2, and 4 of the Daly City Fire department answered the summons, which came from the fire box at Mission and Wilson streets.

Colma Passes Hog Ranch Ordinance

All Cattle Owners To Be Licensed Now

In a move to halt the increase of hog ranches within the city limits of Colma, the town council voted unanimously for an ordinance, Monday, licensing all cattle owners in the town.

Anyone who "raises, keeps, or feeds cattle" within the city limits of Colma must now pay a license of \$100 a year, according to the new ordinance. In addition, the cattle raiser must secure a certificate of sanitation from the city health officers following inspection of the property. He must then be granted a permit by the town council after he has produced his certificate of sanitation from the health office.

Power of revoking any sanitation certificate on property where unsanitary conditions develop after issuance of the certificate was given to the health officer in a provision of the new measure.

Following the treasury reports read at the council meeting, Monday, the board voted to purchase \$2000 worth of war bonds in the Second War Loan Drive, which began, Monday. Mayor Paul Delucchi is chairman of the drive in Colma.

Improvement of streets and sewage in Colma was discussed in detail at Monday's meeting. Mayor Delucchi suggested certain (Continued on Page 6)

Every Resident Urged To Get Behind Campaign

Assurance that Daly City will do her part in supporting Uncle Sam, not only spiritually, but also in terms of cold cash, was given this week as the Second War Loan Drive of the Treasury department began here.

The dollars of every citizen of Daly City are being sought to buy war bonds to help finance America's war effort, and to reach the national goal of 13 billion dollars, so that the supply of planes, tanks, guns and other equipment for the fighting men of our country may continue without interruption.

John Degliantoni is in charge of the drive in Daly City, which is being handled through the local branch of the Bank of America, 6298 Mission street. A committee composed of the following local men has been named to work with Degliantoni on the campaign: John J. Fahey sr., A. E. Pulley, Louis Nava, and Paul Delucchi.

Meeting with F. Erickson, manager of the local branch of the Bank of America, the committee has been given application forms and a canvass of the city will begin this week and orders for war bonds will be taken. With the addition of three new bonds to the four original denominations, the war bonds now number seven types from which purchasers may choose.

Sale of bonds will, of course, continue at the bond window in the bank, and these sales will be credited to the Daly City quota, Erickson said.

Americans at home now have the funds needed, the Treasury department points out, since current holdings of currency and commercial bank deposits by the American people are at new high levels. It is explained further that these funds should be mobilized for the national good as well as the self-interest of workers wishing to protect the purchasing power of their wages.

Contrast of the cost of this war with World War I was one cause the department gave in pointing out the need for everyone to buy War bonds. The total military bill for the last war was 31 billions. Since July, 1940, this war has already cost 240 billion dollars.

Everyone in this community earning a wage was urged to back the Second War Loan Drive with more purchases of War bonds.

Firemen Take Two Pumpers To Fort

Fire Chief Andrew P. Chesney, accompanied by Captain Al Sundstrom, Co. 4; Captain Gus Ford, Co. 2; Lieutenant Fred Mather, Co. 4; and Fireman Tom Tallon, Co. 4; took two large pumpers up to Camp Daly City for fire drill with the soldiers, Saturday. Greeted by Lieutenant G. R. Atkinson, they set to work to study the situation at the camp and to work out details for fire fighting with the men.

Chesney announced that in the event of fire at the camp, Companies 2 and 4 have been detailed to answer alarms. Further fire protection for the camp is assured in the plan for the local fire department to spend several Sundays in drill work with the soldiers at the fort.

are bound to see good results." Arthur J. Bodien, local director of the Civilian Defense Council, was also highly pleased with the drill.

Comments of the inspection team during the meeting at the high school showed that the most important and immediate needs in Daly City are for bomb reconnaissance agents, trained in the handling of unexploded bombs, and for more ambulances. The bomb disposal in particular proved to be a serious defect in Daly City preparations for the drill, since the inspection team placed special emphasis on that. Unexploded bomb incidents were part of the drill; yet no one was prepared to handle them.

The other recommendation, more ambulance service, is one which has been sorely needed in Daly City for some time. At the outset of plans, R. L. Crane Jr., head of ambulance and first aid, reported a sufficient number of machines available, but the volunteers steadily dropped out until there is a desperate shortage of ambulances. Since this might prove very serious in case of an attack and many wounded, the Civilian Defense Council urged everyone who had a delivery truck or a similar machine to register it at civilian defense headquarters in the city hall.

The meeting at the high school was opened by Mayor A. J. Gagero, and he was followed by Nate Pearlman, member of the Daly City Sea Scouts, Ship No. 144, who led the group in the pledge of allegiance to the flag.

ENTERS SPECIAL COURSE

Technical Corporal Elbert J. Ketchum, son of Mrs. G. Allain, 75 Gambetta street, has been enrolled in a special course of instruction at the Signal Corps' school at Camp Murphy, Florida. Corporal Ketchum was selected for this specialized training on the basis of his aptitude.

"Arabian Nights"
Now At Daly City

Hollywood magic reaches lofty new heights in Universal's "Arabian Night," according to the flood of enthusiastic raves by critics who have witnessed initial showings of the new Technicolor innovation. The picture, presented by Walter Wanger Productions, comes tonight to the Daly City theatre and stars Jon Hall, Maria Montez and Sabu.

Rarely has any cinema venture been anticipated with livelier interest, and reports indicate that the picture will come up to every expectation. It is significant to note that advance announcements stress the adult entertainment element of the film, which would indicate that the full fascination of the original Arabian Nights tale has not been sacrificed.

The story, dealing with the romantic adventures of Sherazade, exotic dancer of Bagdad, moves swiftly against the vivid background of the Orient. Described as a gleaming panorama of desert warfare and slave conquest, the plot highlights the rivalry of two princely brothers over the affection of the dancer.

Maria Montez, glamorous Latin star, appears as Sherazade, while Jon Hall and Leif Erikson portray the brothers who fall under her spell. Sabu is said to have his most colorful role, and others in the imposing cast include Billy Gilbert, Edgar Barrier and Shemp Howard.

Producer Wanger is declared to have assembled a multitude of Hollywood's most beautiful girls for the lavish harem and slave

Soldiers Write Letter To Record About Day Room

The Daly City Record, this week, received a letter from the soldiers in this area, explaining the situation as it now stands on their day room and donations for it.

Both they and The Record heartily thank the many townspeople who responded to this plea for materials for the day room.

Here is the letter—

Dear Mrs. Boynton:
Just a note to thank you for your continued interest in the matter of our day room, and to again thank all the people who responded to your appeals.

Due to the fact that we have had to hold down the size of our present day room, we find that our needs have been well taken care of as a result of your action and feel that there will be no point in asking further furnishings or donations of any kind.

A word too to those whose donations we have not yet picked up. We have had a considerable curtailment of our transportation recently so that we are only able to pick these donations up when transportation is available, which is not often, but we will be able to take care of everything within a short time.

For the Commanding Officer,
Gene R. Atkinson,
Second Lieutenant, Signal Corps.

"THEY GIVE THEIR LIVES"

"They give their lives—you lend your money."

That's Uncle Sam's call to every man, woman and child in America—an urgent, imperative plea for help in the Second War Loan Drive, which opened Monday, April 12.

This is no small drive for this is no small war. The goal is 13 billion dollars and every dollar of that amount must be loaned to the government during April.

The money is needed to meet the expense of America's gigantic war program, now fingering out in offensive drives in every corner of the world. In other words, Uncle Sam is short that amount for the balance of the 1943 fiscal year.

Over and above 72 billions raised by taxes, 13 billions are needed to supply the planes and tanks, the guns and ammunition needed by our fighting men, risking their lives on land and sea and air.

"They give their lives—you lend your money."

As Treasury Secretary Morgenthau says: "This is not a war that can be won with spare change. Mere tokens of a few nickels a week will not do the job."

It behooves every citizen in this community—in every state, city and hamlet in America—to respond to the limit. And remember, whatever you do, you are only LENDING your money—lending it at INTEREST—setting aside a nest egg for later years—and helping to keep down inflation, besides.

Emydian Institute Names Committee

Committee members for the April social of Emydian Institute No. 154, Y. L. I., have been named. They are Mrs. Rita Martini, chairman; Mrs. Victorine Kappeler, Mrs. Catherina Casentini, and Mrs. Mary May. The social will not be held on the fourth Friday as usual since this month that date falls on Good Friday. Instead, the social is scheduled for Friday night, April 30. The party will start at 8 p. m. at Holy Angels hall.

Members to be feted are Miss Rosemary Flanagan and Miss Elaine Antracoli.

Emydian institute sold \$5,675.50 in War bonds and stamps during their special drive, March 26, 27, and 28. The group thanks the friends and members who helped make this handsome total possible.

Soldier, Horse Hurt In Sunday Accident

Sergeant Walter Dahlstrom, a soldier, suffered a possible fracture of the leg, Sunday afternoon, when he was struck down by an automobile on Junipero Serra boulevard.

He was horseback riding with friends, and was crossing the road on horseback when the car, driven by Mrs. Mary Woods, San Francisco, struck him. Both Dahlstrom and the horse were injured in the accident. Dahlstrom was rushed to Villa hospital in a Daly City police car. Following treatment, he was transferred to his army headquarters.

Roy Giusti Leaves For Duty With Army

Roy Giusti, popular Daly City athlete, has left the campus at St. Mary's college, Moraga, for active service with the United States Army. He entered training as an air corps cadet at Sheppard field, Texas, last week.

Giusti, a junior, has a fine record as an athlete at St. Mary's. He was the mainstay of the 1942 grid eleven with his passing, running and kicking. He played baseball on the Phoenix for two years, last season winding up near the top of his club in individual hitting with a mark of .310.

Giusti also made a name for himself in basketball at college. His record there was preceded by outstanding achievements in several sports at Jefferson Union high school, of which he is a graduate. Giusti is the son of Mr. and Mrs. Jack Giusti, Daly City.

WRITE "THE BOYS"

"Nothing helps like letters from home" is the consensus of opinion as expressed in letters from boys in the service written to Al Pulley, genial proprietor of Central Creamery, 6331 Mission street.

Pulley suggested, this week, that more local people take the time to write the boys in Army, Navy and Marines. He has been posting some of the letters on the bulletin board at his place of business and addresses of the men may be secured there. Or if you know the address of a lad in the service who wants to hear from former Daly City pals, post it there.

Writing letters is one of the little things the folks at home can do that counts so much with the boys who are out there fighting this war. What do you say?

Brown's headquarters and that figure is not final, she said. Colma has over 300 members of the Red Cross following this drive. Mrs. Brown was supported by a group of hard working volunteers.

Hog ranchers in the Colma area also were successful in supporting the Red Cross. Mayor Gaggero declared that \$503 has been collected from them, and, here again, the final collections have not been finished. Mayor Gaggero announced that the final amount should be over the \$600 mark.

HIGHWAY AT WORK for Victory

The nation's highways, too, are doing their part for victory. In addition to the large volume of military traffic, the bus lines carried *three-quarters of a billion* passengers in 1942—nearly six times the population of the U.S. And still more are riding this year.

These millions are not traveling for scenery or pleasure. Most of them are selectees, military personnel, and war workers. Others are farmers, nurses, teachers—people in nearly every walk of life whose trips in some way or other are essential to the national welfare.

Greyhound is putting all its efforts, experience and resources into helping perform the biggest transportation job of all time. That is why our service to you now cannot always be what we would like to give, or what you have come to expect of Greyhound. We appreciate your patriotic

consideration of these conditions created by the war.

But when victory is won, travelers will be rewarded. Then you can look to Greyhound for a brand-new chapter in comfortable, convenient, enjoyable highway transportation.

WARTIME TRAVEL SUGGESTIONS

You will help the war effort and have a better trip if you do these things:

1. Consult your Greyhound agent for information and get your ticket in advance.
2. Travel in mid-week rather than on week-ends.
3. Carry as little baggage as possible.

Clean as a whistle ✓

Spring cleaning seems to be more important than ever this year because most of us are spending more of our leisure hours at home. But that's not the only reason that this cleaning job has taken on greater proportions. Most of us have to do practically everything ourselves. It's not as easy as it used to be to call up a cleaner to come and take the chesterfield, chair or ottoman out to be given a general going over. That's our job now.

Those grand upholstery cleaners on the market today are really a salvation to the busy homemaker, for the results are close to miraculous. The dirt that's been collecting on those upholstered pieces seems to evaporate into thin air, and the colors become alive with a freshness akin to new.

You'll find these cleaners, along with a host of other cleaning products that lighten work remarkably, on your grocer's shelves all ready to go to work for you.

UPHOLSTERY CLEANING TECHNIQUE

The directions for cleaning upholstery are usually given on the product, but we've a few hints in addition that might prove helpful.

If you're an amateur at this cleaning job, then start out on an inconspicuous spot, say under one of the cushions or on the back of the sofa. A little practice on these hidden surfaces, and you'll see just how to go about cleaning the whole piece. But don't try to cover the whole cushion or sofa at once. Take a small space at a time and clean it thoroughly before going on to the next surface. It takes a little patience and time, but you're well-paid for the trouble. Usually, one application is enough, but if the piece is quite soiled, then give it a second cleaning when it is thoroughly dry.

CLEANING NON-WASHABLE DRAPERIES

This same upholstery cleaner has more than one use. It's grand for draperies which can't be washed. Shake the draperies and air them well, but keep them in the shade while they are airing.

Then place individually over the ironing board, and clean as you would upholstery, taking only a small surface at a time. When thoroughly dry, press carefully, using a cover cloth.

RUG SHAMPOOING

For that professionally cleaned appearance, use upholstery cleaner on your small rugs, too. Large rugs are jobs for expert dry cleaners. In cleaning, start right by vacuuming both sides of the rug and airing in the shade. Don't beat rugs for it weakens the fibers and shortens their wear. Clean a little at a time, letting rug dry before using. To equalize the wear of rugs, turn them frequently.

HOW TO TEACH A YOUNG BRIDE!

AT JEFFERSON UNION HIGH SCHOOL

EXECUTIVE BOARD

The regular meeting of the executive board was called to order at 8 a. m., Tuesday April 6, by the president, Ralph Capps.

The girls' Block J Society constitution was read and the board approved it. It will be written in the Student Body Constitution.

The minutes of the previous meeting were read and approved.

Under old business, Capps asked how long it would be before the G. P. A. L. Constitution would be finished as Mrs. Andersen would like to go over it by next Tuesday if possible. The committee working on revising the Student Body Constitution will have to go over the Student Body Constitution with Mrs. Andersen.

Mrs. Andersen brought up the business of the yell book. Elsie Belli said that most of the yells were typed out but some as yet have to be added. Mrs. Andersen said that school songs, yells, and a copy of the constitution were to be in this book. Walter Cavagnaro asked if it wouldn't be too long with a copy of the constitution in it. Mrs. Andersen said it would be printed and not mimeographed and that a picture of the school would be in it. It will be sold for about 25c per copy.

NATURALIST SOCIETY

A secret meeting was held by the Junior Naturalist society, Friday, April 9, for non-senior members only. The purpose of the club meeting was to plan a party for graduating members of the club.

The party will be held, May 1. For entertainment the club has decided to go roller skating at Pacific City. Later, refreshments will be served at the home of Barbara Blecher, a member of the club.

Members making plans for the party are: Barbara Blecher, Dorothy Nelson, Barbara Fellman, and Verna Moresco.

The seniors for whom the party is being given are: Louise Bacciaco, Carol Bryant, Leslie Gregg, Clayton Kollmann, Elizabeth Lerner, John Mosman, Andy Parodi, and Stone Lantz.

At the regular meeting of the

Junior Naturalist society, Tuesday, April 6, 1943, the office of the presidency was turned over to Lois Rich, who is taking the place of Leslie Gregg. The resignation of Gregg was accepted because he had too many other important duties to fulfill.

MUSIC

The Municipal Chorus of San Francisco, under the direction of Hans Iesehke, will broadcast over one of the national networks the morning of Sunday, May 2, from 8:15 to 8:30.

Jefferson is well represented in the chorus, having fourteen people who sing in it.

"Ballad for Americans" will be presented in a pay assembly for the Jefferson students Thursday, April 29, first week after Easter vacation.

Ken Hatt does a very good job as the soloist.

Stamp Drive

Jefferson is now engaged in a new feature of the War Bond and Stamp campaign. The students are making up bond-selling lyrics to match popular tunes. Some very good ones have already been submitted.

Jefferson is behind the "Jeeps for the Army" drive currently being carried on in high schools throughout the nation as a part of the war bond and stamp campaign. Jeff is aiming to raise funds for six jeeps before the drive ends, April 16. Interclass competitions are being held again to speed the plan. Only bonds bought through the high school can be counted toward this total.

Physical Education

Girls who passed Red Cross Beginners' tests, last week, were Madge Brenzel, Shirley Brown, Mary Curtis, Anna May Lowry, and Jennie Morini.

At the Public Schools Week demonstration of the physical education department, Monday night, April 12, the girls put on a tumbling program. Special individual stunts were performed by Beverly Farthing and Esther Hanel. Other girls who participated were Helen Capps, Winifred Grant, Anna May Lowry, Alberta Marks, Rose O'Keefe, June Peterson, Lorraine Sanders, Doris Sanguinetti, and Corrine Watts. Barbara Gregor played the piano accompaniment.

SPECIAL EVENTS

Senior Jinx is set for tomorrow, April 16. "The March of Time" is the title for this year's jinx. It was written by Jerry Martin, chairman; Carol Bryant, Esther Hanel, and Gene Hopper. Scenery was designed and drawn by John Rerecich and Mr. Martin.

SSssshhh! This Jinx is supposed to be a "masterpiece."

Public Schools Week was observed at Jefferson, this week, with open house at the athletic plant, Monday, and open house and program in the auditorium, Tuesday night. A large group of parents and friends attended both programs.

ABOUT TOWN

A marriage license was issued, this week, in San Francisco, to Gerald W. Putnam, Daly City, and Marie I. Lastufka, San Francisco.

Peter Dormoy, 40 Mission circle, well known Daly City resident, is ill and confined to his home. He has served with the Langendorf Baking company for more than 25 years and is resting now only at the insistence of his physician.

Mrs. Adele Hanelt, organizer of the Daly City Block Mothers, this week, announces the names of two new recruits. They are Mrs. Eva Derriek, 47 Risel street, and Mrs. Kate B. Sadler, 31 Risel street. These volunteers were secured through the General Pershing P. T. A. Mrs. Hanelt again urged block mothers to pick up their arm bands and window signs.

When you borrow through Timeplan there are no deductions and the low cost includes insurance on the borrower's life for the unpaid balance for the term of the loan.

When you have repaid a Timeplan loan according to its terms, you become known to the officials of your bank as a preferred borrower and are given a Bank of America preferred credit card. This card means that you have borrowed wisely and repaid well... that you have established your Timeplan bank credit for future financial needs.

Timeplan loans are available for the purchase of an automobile (as permitted by law) or you may borrow on your present car, paid for or not.

Carl Mahan and George Cabano represented the boys, and Dolores Seiler and Colene Johnson the girls in the handball competition with Crocker school. The games were played at Crocker and that school was victorious over Woodrow in both games. The Woodrow boys lost by a score of 12-13, and 8-10, while the girls lost by a score of 21-0, 7-13, 13-1. A return match will be played soon at the Woodrow school.

AT CROCKER

American Red Cross Juniors of Rooms 1, 4 and 6 in the Crocker school have brought in quantities of cartoons, short stories, crossword puzzles, quizzes, poems, and other fun material for large scrapbooks which are being made for the Armed Forces through the San Mateo Chapter of the American Red Cross. These scrapbooks are greatly appreciated by the boys in service. The scrapbooks are assembled in the art classes.

The following students have brought in material for the scrapbooks: Norma Moore, Dolores Winter, Edna Templin, Jim Watson, Jack Watso, Esther Hukari, Gloria Piacente, Frances Carter, Monte Robinson, Betty Sorentino, Ruth Davidson, Richard Ryan, Beth Calvin, Barbara Winter, Miriam Miller, Barbara McGovern, David King, Helen Means, Shirley Svan, Tom Davidson, Horace Sino, Christobal Holcomb, Esther Myers, Theres Mabon, James Miller, Eunice Robertson, Shirley Downie, Howard McCarten, John Vaughn, Andrew Barone, Gloria Michelson, Edward Warner, Mary Lund.

Noted figures of history, fiction, fairyland, and royalty, were displayed in the corridor of Crocker school, as students during the art period, portrayed by means of eggs these notable personalities. Hardboiled eggs were decorated by students and the winners of each group were displayed in the halls. Ingenuity and initiative were encouraged by Mrs. Rose Corral, art supervisor, as she permitted classes to vote for the winners.

Following were the winners of the various groups: room 6, Barbara McGovern, Richard Ryan, Jerry Swinger, and Margaret Denman; room 4, Peggy Chamberlain, Cecil Valverde, Muriel Parks, and James Mald; room 3, Stephen Ward, Alberta Kingsland, Fred Ziese, and Wanda Sadler.

NO! The Alice Forrest who is now an auxiliary with the Women's Army Auxiliary Corps is not the Alice Forrest who formerly resided with her parents, Mr. and Mrs. A. Forest, 599 Niantie avenue, and who is now Mrs. Smith.

Mrs. Forest reports that following last week's edition of the Daly City Record she had innumerable telephone calls inquiring about her daughter, Alice.

Just to set everybody straight again... although why it should be necessary when the spelling of the names and the home addresses are different we don't know... Alice Forrest, 171 Willits street, is the WAAC, while Alice Forest, 599 Niantie avenue, is the wife of Lieutenant Smith and she's in Colorado... not Iowa.

Members Of General Pershing P. T. A. Plan Luncheon For Cafeteria Workers

General Pershing P. T. A. held its executive board meeting at school, March 31, and discussed the business for the regular meeting, which was held, April 6. Mrs. Mildred Rasor, president, called the meeting to order at 1:30 p. m.

The salute to the flag was led by Mrs. Constance Filippo, and the collect was read by Mrs. Sophie Evans.

Members are planning to have a luncheon at the Lido cafe for the workers in the school cafeteria during the past winter. April 29 has been set aside for this affair.

Mrs. Mildred Rasor thanks the ladies for donating cookies to the Red Cross, April 5. The following ladies baked: Mrs. Margaret Holzworth, Mrs. Frances Phillips, Mrs. T. Holcomb, Mrs. Ann Eason, Mrs. Helen Harvey, Mrs. Getha Mejia, Mrs. E. Moore, Mrs. Janet Delucchi, Mrs. Amelia Siino, Mrs. Rasor, and Mrs. Evans.

The unit will send seven delegates to the District convention in Millbrae, today, April 15. The following were named to represent General Pershing: Mrs. Rasor, Mrs. Evans, Mrs. Louise Eliassen, Mrs. Frances Haussler, Mrs. Amelia Siino, Mrs. Sadie Welsh, and Mrs. Margaret Holzworth. Alternates have been appointed in case some were unable to attend. They are: Mrs. Cecelia Hale, Mrs. Delucchi, Mrs. Filippo, Mrs. M. Prescott, Mrs. Mejia, and Mrs. Helen Harvey.

The ladies planned an Easter party for April 16 for the children of General Pershing. Mrs. Holzworth has been appointed chairman of the event.

The unit is making plans to hold their annual teachers' luncheon and installation the first Tuesday of May. Mrs. Ann Eason and Mrs. Sara Nordgren will be co-hostesses.

The business session was ended and the program was about to begin when Mrs. E. Lohr, school nurse, and guest on the program, was called away on an accident. The ladies were then entertained by the pupils from Mrs. F. Driskell's class. The children sang several songs and were accompanied on the piano by Miss Winifred McGrath, principal.

Refreshments were served. Mrs. Holzworth acted as hostess of the day, due to the illness of Mrs. Nordgren, reciprocity chairmap.

Daughters Of Israel To Hold Whist Tonight

Whist players of this community were reminded, today, that the Daughters of Israel will hold their regular monthly public whist, tonight, April 15, 8:30 p. m. at 67 Los Banos avenue.

An application for a marriage license was made, last week, in San Francisco, by Charles Causley, 242 Turk street, and Nellie Fleming, Daly City.

Some Help With "Difficult Dates"

People who have difficulty remembering dates are in for much worse headaches than ever before, now that rationing has made the "date" all-important.

To make life a little simpler, this newspaper runs a tabulation of those dates which mean food, clothing, tires, and escape of penalties in this column, each week.

April 11—"C" red stamp became valid, War Book Two.

April 15—last day to pay first installment state income tax.

April 19—"D" red stamp good during this week.

April 25—"E" red stamp is now valid; expires at a date to be announced later.

April 25—last day to use coffee stamp No. 26 in Sugar Book for purchase of 1 pound of coffee.

April 30—Red stamps "A," "B," "C," and "D" expire.

April 30—Blue stamps D, E, and F, for purchase of rationed processed foods, expire.

May 1—deadline for non-deferable men to get war work or fight.

May 1—Last day to use coupon 12 in Book One, good for 5 pounds of sugar.

May 21—last day to use No. 5, "A" coupon for 4 gallons of gasoline.

May 31—last day to use Coupon 12 in War Book One for 5 pounds of sugar.

June 15—last day to use Coupon 17 (in the sugar book) for purchase of shoes (one pair).

FUNDAMENTAL WARDROBE
REQUISITE is one good basic suit. Gladys Swarthout, star of CBS "Family Hour", prefers the casual lines of her grey lightweight men's worsted. Red beret pouchbag give lively complement.

Daly City friends are congratulating Mr. and Mrs. Durant W. Moseley, 8 Garden lane, upon the birth of a daughter, April 7, in San Francisco. The baby has been named April Sue. Moseley was instructor at Jefferson Union high school for a number of years and he and his wife have a large circle of friends and acquaintances in this community.

If there is more you would like to know about home nursing, now's your opportunity. The Red Cross is conducting a home nursing course at Theatre hall, every Thursday morning. Hours are from 9:30 to 11:30 a. m. and the classes take 11 weeks to complete.

Public Skating Season Ends Soon

With less than a month to go in the public skating season at Winterland, Post and Steiner streets, members of San Francisco's figure skating clubs are busy practicing their figures, edges and exhibitions prior to putting them "on ice" until next season.

For the benefit of these figure skaters, Winterland has a special separation for their practice of routines. This "circle" as it is called, is the largest in any Western rink and is painted a solid blue. Only figure skaters are allowed to skate inside the skating circle, while the rest of the ice surface is used by all.

The entire ice surface of the big rink is 196 feet by 117 1-2 feet.

The War Isn't Fought In Fox Holes Alone

No, the war isn't fought in fox holes alone. Nor in planes alone, or ships, or tanks. It's fought on the home front as well as the battle fronts. It's fought by every loyal man, woman and child in the United States and its possessions.

There's not much use in our boys giving their lives for our freedom if we are not doing all we

can ourselves to preserve that freedom. And there are so many ways we can fight the war right here at home. First, of course, we must buy war bonds—and keep buying them. That's how we make our dollars fight. Then we can sign up for a vital job in civilian defense. Thousands in San Mateo county are already trained to

meet any emergency, but more are needed. Air raid wardens, plane spotters, auxiliary police and firemen's aides, all have their important tasks to perform in event of an emergency, an emergency that is almost certain to come!

Now America's greatest bond drive is underway. Our government must raise 13 billion dollars

in war bonds this month. This means that everyone of us must increase our bond purchases for this period. It means that we've got to show our boys at the fronts that we are squarely behind them, all of us, all-out for victory! Your civilian defense organization realizes the importance of making this drive a success. Let's show the world we can do it!

THEY GIVE THEIR LIVES..... YOU LEND YOUR MONEY!

Helen Traubel, Great Dramatic Soprano, In San Francisco For Concert, April 20

Helen Traubel, one of the greatest of living dramatic sopranos and star of the Metropolitan, returns to San Francisco, Tuesday evening, April 20, with fresh laurels of singing conquests that place her high in the world's music today.

In Chicago recently, when the Metropolitan gave a two weeks' season, critics commented on her artistry as "sensational." Claudia Cassidy of the Chicago Tribune declared:

"Her voice was a voice of mobility and nobility, pulsating with life and sensitive to the full Wagnerian keyboard of inflection. Although she is relatively new to the role, she had it at her fingertips and she sang it incandescently."

Tickets for Helen Traubel's concert in San Francisco are now on sale at the Opera box office, Sherman, Clay and company, EXbrook 8585.

LUCCA MEAT MARKET

HOURS: 8 A. M. to 6 P. M.

Lucca Meat Market now has all the meat necessary to supply the wants of friends and customers in this area, under the rationing program. This enables us to give you a wide choice of quality meats every day, at any time. We're proud of the extent to which we were able to protect our customers during recent shortages. Remember?

Fruits and Vegetables

Take advantage of our big selection of fine quality, daily-fresh vegetables and fruits in season to stretch your family's food stamp allowance. You'll find we have the finest selection of such foods on the market, and at the lowest possible prices.

Save money, point stamps and shopping time by getting these important foods in their best form—fresh from the grower. Conserve canned foods for Uncle Sam's fighting forces.
